It is well established in Law that a Pre-Trial detainee can NOT be subject to any type of punishment in any form. For It is not being held for punishment, but only to ensure that it appears in Court, and is entitled to the same rights as if it were on House Arrest. More Rights than a person that has been convicted and is housed in prison As punishment.

In this case Jail confinement Causes Post-Traumatic-Stress-Disorder, Bi-Polar 1 & 2, Stockholm Syndrome, and worst Death by Suicide, because of violations of Pre-Trial Detainees rights to Assist its Counsel or Represent its Self are being Impeded by this Court, Marshalls Department, County Sheriffs, Marshalls, and anybody else responsible. punishment or refusing to make available to it access to a fully stocked, up to date Law Library, AND research assistance equal to that available to the prosecutors, and/or General Public.

To deny this Pre-Trial detainee simply because it is housed in jail when alternatives are available, would be to impose a pre-trial punishment that under the double Jeopardy Clause of the Constitution BARS criminal Criminal Prosecution on same Indictment in this Case.
